

Easy Tread Instructions

- 1) Click on default Pricing.
- 2) Type in your manufactures prices.
- 3) Type name of manufacture used.
- 4) When all boxes are filled close pricing.
- 5) Click icon to restart program.
- 6) Easy Tread is ready to use.

Estimates treads, risers and stringers in seconds.

For treads/risers type in number of treads, choose tread size and type tread cost per foot.

Riser size starts with 6" base. When 7" riser material is chosen program will reprice riser.

To add stringer check box and type in set of stairs (stairs between landings).

scroll after all changes.

Note :

- 1) Sales tax is for materials sales only. When checked program will turn off labor pricing.
- 2) Check default pricing and correct if needed.

The screenshot shows the 'Treads And Risers' software interface. At the top, there is a 'Pricing Help' menu. Below it is a table with columns for 'Quantity', 'Price Per Unit', and 'Total'. The table lists several items: 'Your Favorite Manufacture Name' (80.50 Ft., \$7.65, \$615.83), 'Riser' (120.00 Ft., \$1.08, \$129.60), 'Tread/Riser Labor' (80.50 Ft., \$3.80, \$305.90), 'Tread Adhesive' (1 Gal., \$46.63, \$46.63), and 'Epoxy Nose Caulk' (2 Tubs., \$30.76, \$61.52). Below the table, there is a summary row: 'Treads/Riser Price' (80.50 Ft., \$14.40, \$1,159.48). To the right of this row, the 'Total' is listed as \$1,159.48. Below the table, there are input fields for 'Number of Treads' (23), 'Tread Size' (42 inches), 'Tread Cost' (\$5.67), 'Riser Feet' (80.50), 'Riser Length' (120' Base), and 'Riser Cost' (\$0.80). There is a checkbox for 'Calculate stringer feet automatically' which is currently unchecked. Below this, there are fields for 'Feet of Stringer', 'Material Length' (72 inches), and 'Stringer Cost' (\$2.92). There are radio buttons for '10" Stringer' (selected) and '12" Stringer'. At the bottom right, there is a 'Tax' section with a radio button for 'Use tax on materials.' (selected) and a radio button for 'Sales Tax.'. At the bottom left, there is a copyright notice: '© 2005 Trade Estimating Solutions LLC. All right reserved'. At the bottom right, there is a 'Percent of profit' field set to 21%.
